Pitch Your Idea @Reutlingen University

Pitch Your Idea is an English-language pitch event hosted by Reutlingen University, taking place online via Zoom. Teams present their ideas to a jury panel and receive immediate feedback, all from wherever they are.

Format:
Each team has three minutes to pitch, followed by two minutes of questions from the jury. The short format encourages teams to focus on what matters most: the problem, the solution, and the value of their idea. Teams may pitch with or without slides.

Date and time:
December 14, 2026, 17:00 to 20:00 CET, online via Zoom. The Zoom link and access details will be provided later.

Who can take part:
The event is open to university students from Reutlingen University and its partner universities, academic and non-academic staff, and teams from partner projects such as 4InnoPipe2. Because it is online, participants from different locations and institutions can join easily.

How to apply:
Teams register via the link: [https://forms.office.com/e/qPcsbD4Agf]. Registration is by team, and each team consists of 2 to 5 participants. Pitches must be held in English.

What the jury evaluates:
The jury assesses each pitch based on innovation, feasibility, impact, and pitch quality.

Awards and prizes:
Awards will be presented in five categories:

- Female Role Model
- Local Hero
- Best Digital Business Model
- Best Sustainable Business Model
- Best Pitch

register via QR Code

Prizes consist of mentoring to support the winning teams in taking their ideas further.

Why take part?
Whether your idea is still a rough concept or already well developed, this is a chance to practice presenting it concisely, get feedback from an experienced jury, and connect with people across disciplines and institutions. Audience members are welcome to join as well, to get inspired and see what ideas are emerging in the community.
